

**REMARKS**

Claims 1-21 are pending in the subject application prior to entry of this Response. In the outstanding Action, the Patent Office requires restriction between group I (claims 1-12), group II (claims 13-19), group III (claim 20) and group IV (claim 21).

In reply, Applicants elect group I (claims 1-12). Claims 13-21 are hereby canceled without prejudice.

Applicants also clarify independent claim 1 to recite:

1. A fuel supply device for supplying fuel to a mobile electronic device, comprising:

means for receiving data from a mobile electronic device;

a fuel reservoir;

a fuel interface for connection with the mobile electronic device; and  
a transfer mechanism for transferring fuel from the reservoir to the interface and into the connected mobile electronic device in dependence upon the data received from the mobile electronic device.

No new matter has been introduced into the application.

Favorable consideration and allowance is respectfully requested. Should any unresolved issue remain, the examiner is invited to call Applicants' attorney at the telephone number indicated below.

Respectfully submitted,
